Country _____

A few questions.....

1. Your research laboratory web site: _____
2. Your primary area of interest: _____
3. Do you presently have a spectrofluorometer in your laboratory? Yes _____ No _____
4. If yes, which fluorescence system(s) do you use for your research? _____

Abstract Submission Options: We encourage participation and networking to gain valuable insight into the vast fluorescence expertise of the researchers and application scientists attending FluoroFest 2011. Please submit a title and short abstract to:

susan.weidele@horiba.com

When submitting the abstract via e-mail, the subject line should include “Abstract FluoroFest 2011 along with your name”.

- _____ I would prefer to attend FluoroFest 2011 and not submit an abstract
- _____ I would like to submit an abstract for the poster sessions during FluoroFest 2011
- _____ I would prefer consideration as an oral presentation
- _____ I would prefer consideration for both the poster sessions and oral presentation
- _____ I'd like to bring a sample to run! I'll provide the experimental details when contacted by an application scientist from HORIBA Scientific.

Please e-mail form to: susan.weidele@horiba.com

Toll FREE Telephone: 1-800-446-7422

See you at FluoroFest!
